

# SMA Management Preceptorship 1-3 December 2023 - Tunisia *F2F training*

---

Dear Doctor,

We are pleased to invite you to **Tunis, Tunisia, on 1-3 December** to attend the **SMA Management Preceptorship**, organized by Roche.

Over the past 3 months, we participated in virtual educational sessions focused on multidisciplinary management of SMA, covering multiple specialties: pediatric, neurology, pneumology, orthopedic and physiotherapy.

The **SMA Management Preceptorship** provides an opportunity to discuss SMA management with international experts, and to leverage your expertise and skills. The two day and a half training program has been developed to offer a mix of plenary sessions, group exchange sessions and practical physiotherapy session. All led by a renowned expert faculty.

We thank you for your ongoing commitment towards Libyan SMA patients and to continuously optimize SMA care.

**We look forward to seeing you in Tunis on 1-3 December 2023.**

Kind Regards,

Roche
